DESCRIPTION

- Self-service panoramic refrigerated display case designed for bar counters, coffee-shops, snacks and breakfast buffets.
- Highlighting fresh sandwiches, desserts, yoghurts... at the right temperature
- Double-glazed display case with ventilated cooling system (+2°C to +10°C) regulated by electronic thermostat
- 2 shelves (505 x 305 mm) and a stainless steel base that can accommodate a GN 1/1 dish.
- Tecumseh Compressor France. R290 gas. Delivered without GN dish.

HOW TO USE

- Improve visibility with the 4 built-in LEDs
- Adjust the electronic thermostat to keep your products at the right temperature
- Double-glazed sliding doors open from 2 sides and allow quick access to products

CARE INSTRUCTIONS

- The sliding doors and stainless steel shelves are completely removable for easy maintenance.
- Clean glass panels and metal and stainless steel surfaces at the end of the service.
- Dust the Tecumseh France compressor and ventilation system regularly
- See user manual for additional care advice
